

Pre Book the 36th 2cvGB National Meeting

Anglesey Circuit, Anglesey, UK. 28th August - 1st September 2014

We are pleased to announce that pre booking for the 36th 2cvGB National Meeting is now available.

With some inflation-busting-budgeting we've kept the costs down and introduced a new pricing bracket for all our young members.

As always, pre booking ticket prices are significantly discounted compared to gate prices. Pre booking entitles adult entry for just £30 and our new 'young person' ticket price offers members aged 17-25 entry for just £25.

There's going to be excellent children's activities so for the first time there will be a small, flat fee for those aged 16 and under.

Please do also pre-order your Tee Shirts and Hoodies. There will be very limited supplies available at the event, so order now to avoid disappointment.

If you're pre-booking for two adults, take advantage of our special offer – two adult entries and two tee shirts for £80, saving you £10 – every little helps!

What does your entry ticket get you?

- **Four nights camping** on level, well drained fields with access to **proper toilets** and showers.
- Access to the **Classic 2cv Racing Club's 24 Hour Race**; watch the race, explore the pits and see race prepared 2cvs in action.
- Entertainment in the beer tent: a proper **marquee** with a proper floor and **bar** open until 1am serving **real ale**, cider and soft drinks.
- Friday night **Ceilidh** with Blackbeard's Tea Party (who played at the ICCCR).
- Sunday night **Disco**
- A **parade lap** around the racetrack in your 2cv.
- Plus all the usual 2cvGB shenanigans, scenic drives, the local food festival, flea markets, food, traders and children's activities.
